KAWAN® offer a wide range of water softener for industrial application. Operations of softeners are available in either automatic, semi-automatic and also manual. Automatic Softeners are normally controlled either by PLC or electrical relays.

No.	Water Flow Rate (m ³ /hr)	Softener Diameter (mm)	Softener Diameter (in)	Shell Height (mm)
1	1000	275	10	1524
2	1500	323	12	1524
3	3000	460	18	1524
4	4000	508	20	1524
5	5000	560	22	1524
6	6000	610	24	1524
7	7000	711	28	1524
8	8000	762	30	1524
9	10000	813	32	1524
10	12000	914	36	1524
11	15000	970	38	1524
12	17500	1200	48	1524
13	20000	1168	54	1524
14	35000	1524	60	1524
15	45000	1676	66	1524
